Is daar enige siektes, operasies, liggaamlike gebreke, allergieë of tersaaklike inligting waarvan die koshuisouers behoort te weet?

Are there any diseases, operations, physical impairments, allergies or any other relevant information that the hostel parents should be aware of?

Verklaring/Onderneming Van Ouer/Voog Declaration/Agreement By Parent/Guardian

Ek, die ondergetekende ouer/voog van gemelde leerder, verklaar hiermee dat die inligting soos verstrekk, na my beste wete korrek is en ek onderneem die volgende:

I, the undersigned, parent/guardian of said learner, declare that the information submitted, to my knowledge, is correct. I undertake the following:

- Indien die aansoek slaag en my kind nie meer van die huisvesting gebruik maak nie, ek die aanspreeklikheid vir die volle losiesgeld vir een kwartaal aanvaar.
Should my application be successful and my child does not make use of hostel accommodation anymore, I accept liability for the full payment of the hostel fees for one school term.
- Om minstens een skoolkwartaal vooruit skriftelik kennis te gee van my voorneme om my kind weg te neem, anders is ek vir die losiesgeld van daardie kwartaal aanspreeklik.
To notify you, in writing, at least one school term in advance, of my intention to terminate my child's hostel accommodation. If not, I will be responsible for the hostel fees of that school term.
- Om die losiesgeld soos vasgestel, kwartaalliks VOORUIT te betaal en besef dat, kragtens die reëls van die koshuisraad, die koshuisouers my kind toelating kan weier indien losiesgeld agterstallig is.
To pay the hostel fees as stipulated, one school term in advance. I am aware that in the event of non-payment, the hostel parents may in terms of the rules of the Hostel Board refuse my child admission.
- Dat ek die koshuisgedragskode bestudeer, met my kind behandel het en aanvaar ek ook die huishoudelike reëls soos deur die superintendente neergelê en dat my kind haar/hom daaraan sal onderwerp.
To study the hostel code of conduct with my child and abide by it. To accept, together with my child, the domestic rules laid down by the respective superintendents. My child will subject him/herself to those rules.
- Die superintendente tree in locos parentis op terwyl my kind by die koshuis inwoon en ek gee magtiging dat hy/sy as my gevolgmatigde in alle nood- en mediese gevalle mag optree.
The superintendent acts in loco parentis for the duration of my child's residency in the hostel. I authorise him/her to serve as my proxy in any urgent matter/medical emergency.
- Dat my kind se besittings te alle tye toegesluit sal wees en dat die koshuisouers en/of die koshuisraad nie aanspreeklik is vir enige beskadiging en/of verlies van persoonlike besittings nie, hoe dit ook al veroorsaak is.
- That my child's possessions will be locked away at all times. I will not hold the Hostel Parents/Hostel Board responsible for any damage and/or loss of personal possessions, regardless of the cause.
